PROFILE

passionate Full Stack Developer with expertise in React.js, Node.js, MongoDB, HTML, CSS, and JavaScript, dedicated to building responsive and user-friendly web applications. I specialize in designing dynamic interfaces using Bootstrap and Tailwind, ensuring seamless performance across devices. I thrive in collaborative environments, working closely with teams and clients to deliver high-quality solutions on time. Continuously learning and staying updated with industry trends, I am committed to creating innovative digital experiences. My goal is to combine creativity and technical skills to drive impactful results.

WORK EXPERIENCE

Group Alwedad Trading

2024/JUNE - Present

WEB DEVELOPER

- development of the company's website using WordPress
- Design of the company's website
